

Dual Enrollment-Middle College

Sway Moore

Submitted by Mike Mowers

The Dual Enrollment–Middle College Outstanding Student of the Year is Sway Moore. Sway has been deeply involved in the Astronomy program, taking classes and serving as a teaching assistant in the lab. He has also taken advantage of the Art Department, specializing in ceramics.

As a dual enrollment student, Sway has embraced all the opportunities presented to him at City College and has even created new ones. We are proud to recognize Sway as our Outstanding Student of the Year for these achievements, as well as for his engaging and genuine personality, his love of learning, and his personal determination. Sway will be attending UC Berkeley next Fall.
