

EOPS - Adolfo Corral Above and Beyond

Juan Anguiano Zavala

Submitted by Maritza Melquiadez

Juan is the epitome of an EOPS student/Above and Beyond, not only in the adversity he has faced, but in how he shows up every day with compassion, respect, and care. It has been an honor to watch and be a part of his growth. We are incredibly proud of him. Juan is humble, genuine, and a welcoming presence to all EOPS students, embracing diverse backgrounds and treating everyone with respect. He is a gentle, grounding force among his coworkers and a trusted source of support. Excelling in his Administration of Justice studies, he was recently awarded a scholarship selected by David Saunders. It has been an honor to be part of his journey- we are excited for what's ahead, his presence within the EOPS will be missed but we are more excited for his bright future ahead!
