

Medical Imaging Sciences/Radiography

Zachary Steinberger

Submitted by Israel Fonseca

The Medical Imaging Sciences Department is proud to recognize Mr. Zachary Steinberger as the 2026 Outstanding Student and recipient of the prestigious Edward Mallinckrodt Award of Excellence in Radiography. Mr. Steinberger has distinguished himself through exceptional clinical performance, consistently demonstrating strong technical skills, critical thinking, and a patient-centered approach to patient care. Didactically, Zachary is an engaged and thoughtful participant, contributing meaningfully to discussions and supporting a collaborative learning environment. Zachary has shown a strong commitment to the program through his willingness to volunteer for departmental initiatives. Zachary exemplifies the highest standards of professionalism & integrity to our profession. His work ethic and positive attitude make him a role model for his peers and a promising future professional in medical imaging.
